

T Line

Interactive Flat Panel

AOC Commercial Display

86T6053

Flawlessly Built for Interaction Meet AOC's T Line – an interactive touch display that best suits your commercial and educational needs. AOC's T Line features a Multi-touch display which allows a high degree of flexibility and guarantees a smoother interactive experience. With built-in annotation tools and advanced E-share feature displayed in 4K UHD resolution (3840 x 2160 pixel), T-Line is your perfect partner for business presentations and everyday usage.

Features

Multi-touch

Touch displays are of ever-growing importance. 10-point touch screen capabilities – which effectively allows for full two-hand input – ensure a high degree of flexibility for a more interactive user experience.

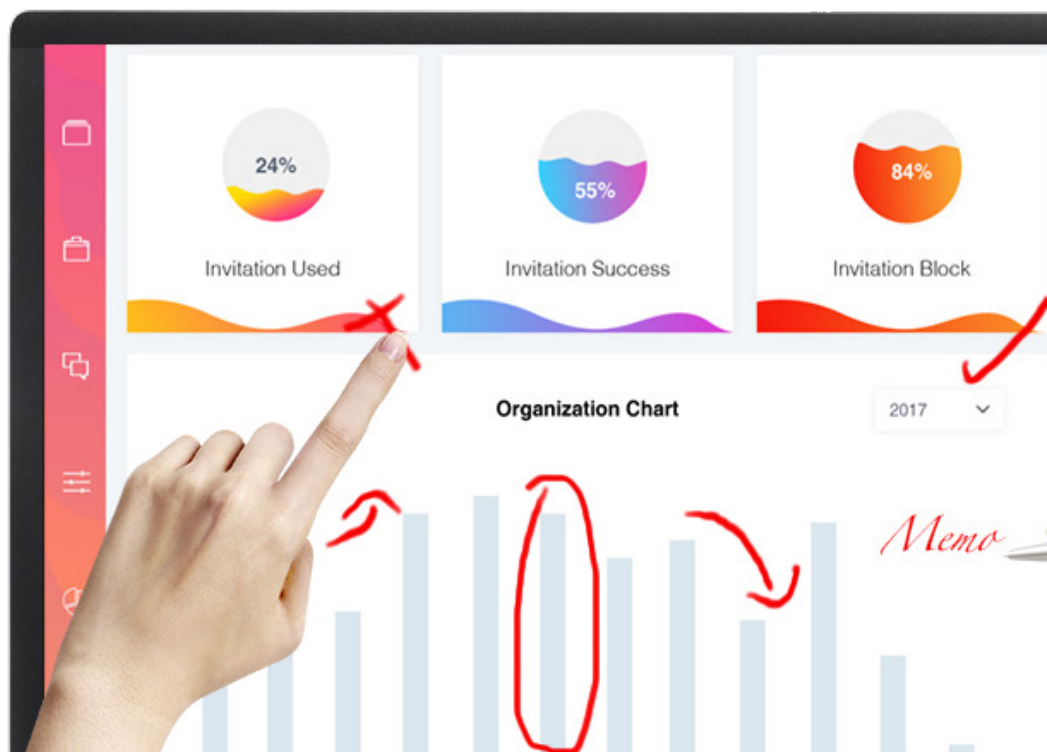

Annotation tools (drawing)

The screen's built-in annotation tools allow for maximum customization, making the screen not only perfect for retail use, but also for business presentation.

WPS (file editor)

With WPS file editing capabilities (Microsoft Works Word Processor), you can edit or customize multimedia without hassle.

Crisp resolution like you've never seen before

Appreciate signage quality like never before thanks to 4K UHD quality (3840 x 2160 pixel) resolution. Image quality and color transitions are so refined, so lifelike, it's like a window to a new world.

High brightness

Featuring with up to 400 nits, AOC T Line displays produce clearly readable images which may easily be seen in storefront windows and other brightly lit indoor environments.

E-share (wireless presentation)

EShare is a multiscreen interaction application that allows you to project the screen of another device onto the interactive flat panel, or vice versa (e.g. control what's on the screen from the comfort of your smartphone).

Convenience and connectivity in One

The monitor is equipped with the most common and convenient connectivity ports such as HDMI and USB 3.0.

Input

HDMI 2.0 × 2	SPDIF
VGA × 1	USB 3.0 × 2
AV-In	USB 2.0 × 2
YPbPr	RS232 (DB9)

Output

HDMI Out × 1
AV Out (3.5mm jack) × 1
Earphone 3.5mm jack

Technical Specifications

		86T6053
Display	Diagonal Sreen Size (inch)	85.6"
	Resolution	3840x2160
	Brightness cd/m ² (typ.)	400
	Contrast Ratio (typ.)	1200 : 1
	Viewing Angle Horizontal (min.)	178°
	Viewing Angle Vertical (min.)	178°
	Response Time	8ms
	Bezel Width (L/B/R/U)	30.4mm / 70.5mm / 30.4mm / 30.4mm
