BACKGROUND AND PURPOSE

These AOC Master Tournament Rules (“Tournament Rules”) establish the general rules applicable to the play of VALORANT at all AOC Master Tournament events. They include rules governing player eligibility, tournament structure, points structure, prize awards, and player conduct. These Tournament Rules include the general terms set forth in Sections 1 – 12 below (“General Terms”), as well as the specific terms in the Appendices attached hereto. The Glossary in Appendix 1 has helpful definitions and explanations that are applicable to these General Terms and all other Appendices.

These Tournament Rules apply to the individual (natural person), entity and/or group (“Owners”) who registered a team (“Team”) to participate in the AOC Master Tournament in accordance with the Esports Registration Procedures and Rules (“Registration Rules”) and to each Team’s players, managers, coaches, owners and other representatives. A Team’s players, managers, coaches, Owners and other representatives are referred to in these Tournament Rules as the “Team Members”.

Teams will be selected to participate in the AOC Master Tournament through various mechanisms. Most Teams will be selected to participate based on placement in the open online qualifiers described in these Tournament Rules. Teams may also be selected based on other criteria developed and administered by the Organizer from time to time.

These Tournament Rules apply to regional Qualifiers and AOC Master (“Tournament”).

These Tournament Rules and the Registration Rules form a contract between a Team Member and the Organizer. Each Team Member is required to read, understand, and agree to these Tournament Rules and the Registration Rules before participating in any Tournament.

BY PARTICIPATING IN ANY TOURNAMENT, YOU AGREE TO THESE TOURNAMENT RULES AND THE REGISTRATION RULES. IF YOU DO NOT ACCEPT THESE TOURNAMENT RULES AND THE REGISTRATION RULES, AND ABIDE BY THEM DURING YOUR PARTICIPATION IN THE TOURNAMENTS, YOU WILL NOT BE ELIGIBLE TO PARTICIPATE IN THE AOC Master Tournament.

GENERAL TERMS

1. Acceptance of Tournament Rules

1.1. Acceptance

- 1.1.1. Each Team Member must agree to these Tournament Rules and the Registration Rules in order to participate in the AOC Master Tournament. A Team Member may accept these Tournament Rules by registering to participate in the AOC Master Tournament in accordance with the Registration Rules or by participating in any Tournament.

1.2. Changes to Tournament Rules

The field of esports is changing rapidly as are the games that are played in esports, and these Tournament Rules will have to be updated or supplemented periodically to take account of developments in the industry, changes to the business model for esports and the updates to VALORANT. Accordingly, the Tournament Organizer may update, amend or supplement these Tournament Rules from time to time; and may interpret or apply these Tournament Rules by releasing online postings, instructional videos, emails or texts that provide instructions and guidance to Team Members. Any material changes to these Tournament Rules will be provided to the Team's Team Captain using the email address listed as part of the online registration process. Each Team Captain will be responsible for distributing updates and other communications relating to these Tournament Rules to other Team Members. Participation in the AOC Master Tournament will constitute acceptance of the changed rules, instructions and guidance.

2. Players

2.1. Eligibility

- 2.1.1. **Player Age.** In order to be eligible to participate in a Tournament as a player, an individual must be older than 18 years of age before the start of the Tournament, 18 years of age defined as having lived 18 full years. If a player is under such age but older than 16 years of age (i.e. the player has lived for at least 16 calendar years) as of the Tournament start date, he or she may still enter the Tournament if he or she meets the other eligibility criteria in these Tournament Rules and the Registration Rules and a parent or legal guardian accepts these Tournament Rules and the Registration Rules on behalf of the player, and consents to the player's participation in the Tournament, using a parental consent form provided by the Tournament Organizer. Tournament Organizer will receive parental consent form after the player advances to the grand final.
- 2.1.2. **Regional Requirement.** The top Teams from each Region will compete in the AOC Master Tournament Finals. In order to maintain the regional identity of teams that compete in the AOC Master Tournament and to encourage the type of regional identification that is important to fans and sponsors, each Team is required to maintain, at all times during the AOC Master Tournament, no fewer than four players that are Residents (as defined below) of the Team's home Region.

- (A) Team's Region. A Team's home Region is identified by the Team Captain at the time of registration and may not be changed at any time during the AOC Master Tournament without the prior written approval of the AOC Master Tournament Officials.

All matters relating to the determination of a player's Region shall, for purposes of the AOC Master Tournament, be resolved by the AOC Master Tournament Officials in their sole discretion.
- (C) Certification of Residency. All players shall certify their residency prior to participation in any live by providing proof of residency as defined below. AOC Master Tournament Officials reserve the right to request legal proof to verify a player's age, residency or compliance with other eligibility requirements in these Tournament Rules or in the Registration Rules.
- (D) Proof of Residency. In order to be certified as a Resident by AOC Master Tournament Officials, a player must prove lawful residency in the Region with a valid identification document (e.g. driver's license, passport, national identity card) issued by a governmental authority of a jurisdiction in the Region or have a valid residency visa (i.e., work visa, athlete visa, student visa).
- (E) Single Residency Status. A player may only be a Resident of a single Region at any point in time. A player who has lawful resident status in multiple Regions cannot be a Resident of two Regions simultaneously. Once a player declares residency in one Region in which he/she is eligible, the player may only switch Regions with advance approval by AOC Master Tournament Officials. If a player becomes a lawful resident of a jurisdiction located in another Region during the course of the AOC Master Tournament competitive season, the AOC Master Tournament will only recognize the player as a Resident of such Region as of the date of the first Tournament Game in the Finals.
- (F) Residence Requirement Violations. Each Team is responsible for ensuring that its players meet the applicable residency requirements and that the Team has the required minimum number of players who are residents of its Region. It shall be a violation of these Tournament Rules, by both the Team and the player, if a player (or his or her parent or guardian) provides false, misleading or incomplete information resulting in the misclassification of such player's residency and Region. Such a violation will subject the Team and/or player to disciplinary measures as outlined in these Tournament Rules and the Registration Rules.
